

4A News

Monday	Tuesday	Wednesday Sept. 4	Thursday Sept.5	Friday Sept. 6
		Day 2	Day 3 *gym clothes	Day 4 *gym clothes *return any outstanding forms ie: computer contract or info sheets

Welcome back! I hope the summer holidays brought rest after a busy school year.

Here's a rundown of what we'll be doing in each unit to start the year:

Science - We will be studying Rocks and Minerals. We will learn about the Rock Cycle and the names of different rocks, minerals, and erosion.

Math - In math, our first unit will be Place Value. We will be working with numbers up to 10,000. We will learn to recognize numbers, break numbers apart and add numbers up. We will also be working on addition facts as we work through this unit.

L.A. Novel Study - Our first novel will be Dragonling by Jackie French Koller. This novel is short, but it has a storyline that focuses on empathy for others and there are dragons involved, so it must be exciting, right?

Bible - We will be taking a look at the Bible as a whole; learning the divisions and each book. We will move on to the Old Testament.

Due to the nature of my term, the time I have in 4A is still unknown. But, I am truly looking forward to working with and getting to know you and your child in the time we are given.

Please pray for our class as we transition back to school. For unity within our class and in all that we do, we would honour Jesus.

Please do not hesitate to stop by the classroom, send an email or make a phone call if you have any questions, concerns or praise items.

Blessings,
Dyana

A Few Things to Note:

- ✿ You will receive a newsletter that will have information on what is coming up in the following week. I will be sending it home every Friday.
- ✿ Agendas will be going home everyday. I will be checking them daily. I ask that an adult would sign to tell me that you have read what was written. It is your child's responsibility to ask for a signature. Please teach them to take this responsibility as their own.
- ✿ Gym clothes are required this year. Please send clothes in a pull-string bag or something similar.
- ✿ Spelling tests will be every Friday unless otherwise stated in the newsletter. Corrections will be coming home for you to check and initial and return BEFORE the test on Friday. The list of words will be included in the weekly newsletter.
- ✿ Bible Memory Verse (BMV) will happen each week. For their test, I expect student to:
 - *recite the verse
 - *tell me where it is found
 - *tell me what the meaning isTo receive a 4, students can pick two extra verses to recite. These verses must be approved prior to testing.
- ✿ Homework- I generally give enough class time to complete assignments. There will be occasions where we have run out of time or students did not use class time wisely. So, some work will need to be completed at home. All homework will be written in the agenda

and when it is due. Please make studying for spelling and BMV apart of your everyday routine. Studying will be an expectation and not necessarily written in the agenda daily.

Days to Remember:

Phys. Ed - Day 2,3,4 and 5.

✿ Gym clothes will need to be washed every so often. I will send home on Fridays. Make sure they are returned by Monday or the following gym class.

Music- Days 1, 2 and Library- Day 4

✿ We have a microwave for student use! Each student will have one day designated to them. I will ask that their food not take more than 4 minutes to heat up as we only have 20 minutes for lunch. Students may use the microwave on the other days but they will have to wait until the everyone scheduled has had their turn. Please, NO popcorn.

Monday	Tuesday	Wednesday	Thursday	Friday

Julianna	Emily G	Micah	Liam	Liam
Willow	Joyce	Emily K	Ethan	Jack
Jordyn	Cael	Isla	Makenna	Marika
Austin	Kennedi	Zach		

A Little About Me:

I have been married to my husband Richard for 14 years and we have two daughters who are in grades 3 and 5 at Calvin.

After graduation, I taught grade six for four years in the Seven Oaks School Division. When my oldest daughter was born, I stayed at home to take care of our growing family. I have been involved in the Calvin community since 2014. This includes volunteering in classrooms, attending various field trips/special events and most recently, doing library checkout. I have been a substitute teacher at Calvin for the past year which has given me the opportunity to work with some of the students in our class.

We have been attending Eastview Community Church for seven years and currently lead a young adults care-group. Over the summer, I took up golf. Let's just say I need a few more lessons!
