Day 5 *gym	Day 6	Day 1	Day 2 *gym clothes * Commencement 7pm	Day 3 *gym clothes * Spelling Test #1 * BMV test

Wow! What an exciting week! We have been busy getting to know each by designing our very own puzzle piece. We worked together by assembling our class sized puzzle. We talked about how God has created us uniquely and how we are an important part not only in our class but in God's Kingdom. You will be able to see our finished product when you attend our commencement evening next week.

We wrote about our first day jitters in our journals and illustrated some of our feelings with emoji's. The inspiration comes from a story titled "First Day Jitters" by Julie Danneberg.

In math, we opened up boxes of smarties and used data based on colour for our bar graphs.

Coming up:

## **Commencement Evening:**

Thursday Sept. 12th is our commencement evening. 7pm This is a time where we come together as a school community to connect with staff and parents. As well as, have a peek into our classroom. I look forward to meeting you this evening.

☆In previous years, grade 4's received their bibles on commencement evening. This has been changed. Students will have an assembly dedicated to this. Families are welcome to join in on this celebratory day. I will keep you posted to when this will be happening.

**BMV:** We will have our first Bible Memory quiz. Students will be asked to recite the first 5 books of the Bible. Test is Friday Sept. 13th.

**Spelling:** Our first spelling test will be Friday. Our pretest will be Monday. Watch for correction homework that evening.

Blessings,  
Dyana
