Hi Parents!

Happy New Year!

In LA, our next novel study will be "Charlie and the Chocolate Factory." We will be starting literature circles where students will gather in groups to read assigned chapters. Each student will be given a specific job. Students will share highlights of their reading with group members.

In Social Studies, we will be starting our unit on Nunavut. We will be discussing how God made this land different from the one we live in.

Math- We will be learning two new subtraction strategies. Continue practicing addition and subtraction math facts. This will help boost students confidence and speed when solving math problems.

Skating! Students are welcome to bring their skates and helmets. On days 1, 4 students are able to skate at lunch recess. Skating in Gym will start next week.

Choir begins Friday. The grade three and four students will gather together to start practicing for the spring concert.

Body, Brain and Balance will begin next week with Ms. Keijzer. She is our school counsellor. We will have this opportunity for the next 10 weeks.

Blessings,
Dyana
