Pizza Day

Library books due Monday!

We braved the cold to explore and experience rocks in their natural setting at the quarry. We learned more about the rock cycle, made fossil models and walked around the quarry. We even found a few fossils to take home. It was a great day of learning!

Due to the low attendance today and Thanksgiving Monday, I would like to leave more room for math practice for the test. **The test will be moved to Thursday.** Just a reminder: there is a practice review on my website with answer key. This review is not required to be handed in.

Please, do not send Bible projects until the 21st at the earliest as I do not have space to store them for a long period of time.

Blessings,
Dyana
